

Safe Return to In-Person Instruction and Continuity of Services Plan (ARP Act)

LEA Information

1. LEA Name (one LEA per form)*

A+ Charter Schools

2. Entity ID Number*

1000166

3. CTDS Number*

118720000

4. Plan's Primary Contact Name*

Rachele Reese

5. Plan's Primary Contact Email Address*

rreese@aplusaz.org

6. Plan's Primary Contact Phone Number*

5202655589

Please submit your Safe Return to In-Person Learning Plan every six months from your prior submission date.

Revision Timeline: May 2023-September 2023

7. Since your last submission date, when did your LEA last review and/or revise your plan? Please provide the updated mm/dd/yyyy of your review/revision. This date should be updated from your last submission. *

08/25/2023

All LEAs receiving ESSER III funds must make publicly available on their website, a plan for the Safe Return to In-Person Instruction and Continuity of Services. Please list the link where the plan/template is posted on the LEA's website.

8. Insert the link below with directions on how to find your LEA's Safe Return to In-Person plan located on your LEA website (do not link directly to the PDF). The plan must be on the ADE template that will be downloaded from EMAC after completing your responses.*

<https://www.aplusaz.org/COVID-19-Information>
then click on the Safe return to School Plan link on the left hand side - that takes you to the plan.

How the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policies, on each of the following safety recommendations established by the Centers for Disease Control and Prevention (CDC)

9. Has the LEA adopted a Governing Board policy on universal and correct wearing of masks?*

☒ Yes

10. Please describe the LEA's Governing Board policy on universal and correct wearing of masks.*

The use and/or wearing of masks or face-coverings by students, staff, families, visitors, or anyone on campus is at the sole discretion of the individual based on their needs and will not be required. However, the school will follow the protocols and requirements of masks or face-coverings of other schools, businesses, or community organizations for school-related activities. Personal Protective Equipment (PPE) has been purchased should an individual display symptoms and need to be isolated, staff can use the PPE to protect their health. A designated space is available for individuals who display symptoms. Eligible individuals are encouraged to get the COVID-19 vaccine, but are not required.

11. Has the LEA adopted a Governing Board policy on modifying facilities to allow for physical distancing (e.g., use of cohorts/podding)?*

☒ Yes

12. Please describe the LEA's Governing Board policy on modifying facilities to allow for physical distancing (e.g., use of cohorts/podding).*

A+ Charter Schools will proactively communicate with families, students, staff, and community stakeholders on the importance of physical distancing and adopting behaviors that reduce the spread of viruses, such as handwashing and staying home when sick.

- An option of outdoor space will be provided for lunch for students, weather permitting.

13. Has the LEA adopted a Governing Board policy on handwashing and respiratory etiquette?*

☒ Yes

14. Please describe the LEA's Governing Board policy on handwashing and respiratory etiquette.*

Students and staff will be encouraged to properly wash their hands throughout the day. Signage will be posted in bathrooms on proper handwashing. Hand sanitizer will also be available in classrooms and in various common areas of the school building

15. Has the LEA adopted a Governing Board policy on cleaning and maintaining healthy facilities, including improving ventilation?*☒ Yes**16. Please describe the LEA's Governing Board policy on cleaning and maintaining healthy facilities, including improving ventilation.***

Students will be encouraged to wipe down their individual workspaces.

- Air conditioning filters will be changed regularly.
- The building will be cleaned daily by a cleaning company to disinfect the school

17. Has the LEA adopted a Governing Board policy on contact tracing in combination with isolation and quarantine, in collaboration with the State, local, territorial, or Tribal health departments?*☒ Yes**18. Please describe the LEA's Governing Board policy on contact tracing in combination with isolation and quarantine, in collaboration with the State, local, territorial, or Tribal health departments.***

Staff and families will be encouraged to report confirmed cases of COVID-19 for individuals attending or working at A+ Charter Schools, and to stay home when exhibiting any symptoms.

19. Has the LEA adopted a Governing Board policy on diagnostic and screening testing?*☒ Yes**20. Please describe the LEA's Governing Board policy on diagnostic and screening testing.***

Individuals who exhibit symptoms of COVID-19, will be encouraged to take a COVID-19 diagnostic test.

Screenings. The purpose of this plan is to help mitigate the spread of COVID-19 and other flu-like illnesses. Parents will be responsible for screening their students each day before school. Parents are responsible for ensuring that their child is not exhibiting any of the following symptoms PRIOR to coming to school and keeping them home if they do.

- Fever above 100.4 or higher
- Chills
- Cough
- Shortness of breath or difficulty breathing
- Muscle aches
- Sore throat
- Headache
- Fatigue
- Congestion or runny nose
- New loss of taste or smell
- Vomiting or diarrhea
- Any other symptom of illness, whether or not the parent believes it is related to COVID-19

Any student who displays one or more of the above symptoms throughout the school day, will immediately be taken to the campus health aide for re-evaluation and upon verification of the above symptoms; parents will be contacted for pick up with the following exceptions:

- If the student has a runny nose and no other symptoms, the campus health aide may contact parents to inquire about other symptoms or COVID-19 exposure at home.

If no other symptoms have been present and the student has had no exposure to COVID-19, the student may be allowed to return to class.

- If the student has health information on file that confirms a diagnosis of asthma or other respiratory condition and is displaying no other symptoms, the campus health aide may contact parents to inquire about other symptoms and COVID-19 exposure at home. If no other symptoms have been present and the student has had no exposure to COVID-19, the student may return to class.

Each campus will have a designated location where anyone displaying symptoms may be separated from others while waiting to be screened or picked up. One staff member should supervise the student at all times and this staff member should wear appropriate PPE and maintain a distance of at least 6 feet unless there is an emergency. In the event of a medical emergency, staff should notify the school office and call 911. Employees displaying symptoms should be separated from others and may self-transport home if able. If an employee is unable to safely self-transport, a family member or emergency contact should be contacted.

If your child is sick, or needs to leave school:

- If your child is sick with any illness, keep them home from school and notify the school of your child's absence.
- If you are contacted by the school regarding your sick child, they must be picked up within 1 hour of being notified.
- Consider planning for alternate childcare arrangements. Have a backup plan in the event your child needs to stay home from school or is sent home from school.
- Please make sure all contact information is always up to date in Student360.

Staff members will be responsible for screening their own symptoms before arrival each day. The

same policies and procedures listed above for students will be applicable to all staff members.

21. Has the LEA adopted a Governing Board policy on efforts to provide vaccinations to school communities?*☒ Yes**22. Please describe the LEA's Governing Board policy on efforts to provide vaccinations to school communities.***

Students and staff are encouraged to provide documentation of COVID-19 vaccinations to the school for their files.

23. Has the LEA adopted a Governing Board policy on appropriate accommodations for children with disabilities with respect to health and safety policies?*☒ Yes**24. Please describe the LEA's Governing Board policy on appropriate accommodations for children with disabilities with respect to health and safety policies.***

A+ Charter Schools will ensure the continuity of services through an in-person instructional model. In the case that a student needs to quarantine or follow isolation precautions, the school will make efforts and arrangements to provide services virtually or make other arrangements. Accommodations will be made to any policies or protocols as appropriate based on an individual's disability with respect to health and safety

25. Has the LEA adopted a Governing Board policy on coordination with State and local health officials?

*

☒ Yes**26. Please describe the LEA's Governing Board policy on coordination with State and local health officials.***

The school will follow the most up-to-date recommendations from the Centers for Disease Control, as well as State and local health departments. The Campus COVID-19 Liaison and designated staff will work with the State, county, and Arizona Department of Education on staying up-to-date with policies and procedures.

Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

27. How will the LEA ensure Continuity of Services?*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

A+ Charter Schools will ensure the continuity of services through an in-person instructional model. In the case that a student needs to quarantine or follow isolation precautions, the school will make efforts and arrangements to provide services virtually or make other arrangements.

28. How will the LEA ensure continuity of services for students' academic needs?*

Based on student benchmark and state assessment data, the school will implement best practices to address the individual academic needs of students to continue to promote academic growth and success. This will be done through project-based learning aligned to standards, as well as intervention and enrichment to address learning gaps and continued growth.

29. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?*

During the school's Advisory Program, the CASEL-aligned curriculum will be used to address the social-emotional needs of students

30. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

The school will partner with local agencies to support additional mental health needs of students. The school will continue to participate in the National School Lunch Program to offer school lunches and provide sign-ups for lunches should the school or sections need to close for COVID-19 related reasons

31. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

To support the social-emotional and mental health needs of staff, administration will incorporate the same CASEL-aligned curriculum into staff meetings, as well as other best practices to support the social, emotional, and mental health needs of staff.

32. How will the LEA ensure continuity of services for staff's other needs?*

Individual support is provided on an as needed basis depending on the need

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

33. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

The Safe Return to In-Person Instruction Plan was placed on the Board Agendas for June , July, November 2021, and April 2022 with the opportunity for input. Agendas were posted to the school website and entrance of the school in compliance with open meeting law. Additionally, public input was provided at another Board Meeting during a call to the public.

After completing all responses in EMAC, save your information. Then, use the red download button to create a copy of your completed form to be uploaded to your LEA website. Once your form is uploaded to your LEA website, log back into EMAC to click the blue submit button and submit your form to be reviewed by your specialist. Your EMAC submission will not be approved unless this updated form is on your LEA website.

34. Did you upload the completed EMAC form to your LEA website?*

☒ Yes
