21. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

Consideration of mental health needs with social worker/identified adult to support return to campus

22. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

Faculty have and will continue to have access to ASU Prep's Employee Assistance Program, providing free and professional therapy to all benefits eligible employees who desire it.

23. How will the LEA ensure continuity of services for staff's other needs?*

N/A

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

24. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

Our regular newsletters include information about health practices in place as do our all staff communications. Changes to the details of the plans have been made based on parent and teacher input as well as the number of cases in our schools. Ongoing: Health Plan is posted on the website with a link for input.

After completing all responses in EMAC, save your information. Then, use the red download button to create a copy of your completed form to be uploaded to your LEA website. Once your form is uploaded to your LEA website, log back into EMAC to click the blue submit button and submit your form to be reviewed by your specialist. Your EMAC submission will not be approved unless this updated form is on your LEA website.

25. Did you upload the completed EMAC form to your LEA website?*

Yes
