Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

24. How will the LEA ensure Continuity of Services?*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

The LEA will ensure continuity of services that addresses academic and social emotional needs for students as well as social emotional and other needs for staff as follows:

25. How will the LEA ensure continuity of services for students' academic needs?*

The school will ensure that students affected by quarantine, isolation, or any recommended or mandated school closures have access to technology to continue providing instruction, intervention, and other academic services remotely. The school will provide internet hotspots to families without reliable internet access

26. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?*

Social and Emotional services will continue virtually during periods of quarantine/isolation or if a school closure is mandated. Additionally, the school will continue outreach to students and families to provide assistance to community resources and mental health services in the event of quarantine/isolation or school closure is mandated by the state or local health department

27. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

Access to food service will continue for students affected by quarantine, isolation, or a school closure. In these situations meal service will be provided through a pick-up system.

28. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

"The school provides free access to the Employee Assistance Program to all employees and their family members . This free service includes free emotional and work-life counseling. In addition to counseling, the Employee Assistance Program also provides financial information/resources, legal support/resources, and health/benefit services to support employees during major life events. The school's health plan provides virtual access to medical professionals to eligible employees, including mental health professionals."

29. How will the LEA ensure continuity of services for staff's other needs?*

Staff are provided with all needed technology and supplies to perform their job satisfactorily in-person and in the event of quarantine/isolation or a school closure. Employees may be assigned alternate duties in the event of a school closure to maintain their employment status to the greatest extent possible.

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

30. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

No Revisions made - input received on prior revision.
