22. Please describe the LEA's Governing Board policy on appropriate accommodations for children with disabilities with respect to health and safety policies.*

ALA will continue to facilitate appropriate	
accommodations for children with disabilities on	
a case by case basis.	

23. Has the LEA adopted a Governing Board policy on coordination with State and local health officials?

*

✓ Yes

24. Please describe the LEA's Governing Board policy on coordination with State and local health officials.*

ALA considers the research and recommendations of the Arizona Department of Health Services and Center for Disease Control and Prevention in the creation of COVID-19 related policies.

Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

25. How will the LEA ensure Continuity of Services?*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

American Leadership Academy is committed to ensuring continuity of services and is committed to maintaining student and staff safety while conducting in-person education. ALA will continue to employ prudent mitigation measures to keep our students and environment safe. ALA is committed to communicating effectively with our families and will continue to use the ALA website as our official information outlet. ALA understands that students' health and well-being are a family responsibility and ALA stands behind our students and their families in support of these efforts.

26. How will the LEA ensure continuity of services for students' academic needs?*

ALA will continue to address student needs through our Response to Intervention (RTI) and Multi-Tiered System of Supports (MTSS). ALA will work and communicate with students and parents to ensure that students who miss in-person class time due to quarantine, isolation, or other health-related reasons do not fall behind.

27. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?*

ALA will work to educate our students in R.A.I.S.E. Values, providing students the opportunity to develop leadership qualities including Respect, Accountability, Integrity, Service, and Excellence. These character values will assist students in their development and in answering their social, emotional, and mental needs.

28. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

Food service, including cafeteria procedures, will include a touchless point-of-sales system, as well as staggered scheduling and social distancing.

29. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

ALA provides free access to the Employee Assistance Program to all employees and their covered family members. This service provides benefits including no-cost sessions of counseling to address work, life. Health plans offered by ALA also offer remote access to medical professionals to facilitate support for related employee issues.

30	. How will the LEA elisare continuity of services for starr's other needs:
	NA

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

31. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

American Leadership Academy conducts all Governing Board meetings in accordance with Arizona Open Meetings Laws, as such the public is welcome to observe and provide comment on any agenda items under consideration. ALA has taken numerous public comments under consideration in development and revision of this plan. In addition to comments at public meetings, ALA has fielded parent and student feedback via email and phone concerning COVID-19 related policies. ALA will remain continually receptive to public feedback regarding this plan.
