Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

27. How will the LEA ensure Continuity of Services?*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

In nearly all aspects, we have returned our school to providing services to all students as was before the pandemic with the ability for students to participate remotely through our ITM.

28. How will the LEA ensure continuity of services for students' academic needs?*

All students are encouraged to attend school in person. New students needing an online environment are referred to our AOI. Existing students needing a long term remote option are accommodated under the ITM.

29. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?*

Secured services of School Counselor and Guidance Counselor/Dropout Prevention Coordinator to address any social emotional and mental health needs as assessed through screeners.

30. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

Dropout Prevention Coordinator, McKinney Vento Liaison, and other school support staff coordinate to address any additional student needs.

31. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

Staff well checks at daily team meetings and weekly all staff meetings.

32. How will the LEA ensure continuity of services for staff's other needs?*

Needs addressed by school administration as necessary.

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

33. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

Back to school night for returning and new students and families. Families were met by various teacher and support staff to inquire about any needs as they entered the new school year. Any needs not already addressed by plans in place were individually handled and arranged by school administration.

34. Did you make any revisions/changes to this plan from your last plan submission?*

Yes
