Yes

22. Please describe the LEA's Governing Board policy on efforts to provide vaccinations to school communities.*

We notify students and staff of the opportunities the County provides at our local offices to receive vaccinations. We do not require vaccinations for students or staff

23. Has the LEA adopted a Governing Board policy on appropriate accommodations for children with disabilities with respect to health and safety policies?*

Yes

24. Please describe the LEA's Governing Board policy on appropriate accommodations for children with disabilities with respect to health and safety policies.*

Our District provides accommodations for all children with disabilities. We have policies in place to meet the health and safety needs of children and staff with disabilities

25. Has the LEA adopted a Governing Board policy on coordination with State and local health officials?

*

Yes

26. Please describe the LEA's Governing Board policy on coordination with State and local health officials.*

The District works with State and local health officials in determining the needs of our students and staff.

Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

27. How will the LEA ensure Continuity of Services?*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

The District has chosen in-person learning for the 22/23 school year with a safe return to activities.

28. How will the LEA ensure continuity of services for students' academic needs?*

The District is committed to providing for the academic needs of all of our students.
We will monitor and assess our students to determine those who show signs of learning loss. Those students will be targeted for after school tutoring services.
It is our plan to recover these learning losses as quickly as possible.

29. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?*

We have a Master's Level Counselor that will focus on the emotional health of our students. Students may be recommended by staff, parents or themselves for these services. We also are making available other outside resources to assist with our social and emotional needs

30. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

While free meals are no longer an option, we make every attempt to get free and reduced lunch applications to all parents to make sure all student have a healthy meal.

31. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

Staff members are encouraged to discuss their social, emotional and mental health needs with their supervisor. They may also meet with our Counselor to discuss these needs. Part of our in-service time is dedicated to ensuring these needs are met as well

32. How will the LEA ensure continuity of services for staff's other needs?*

Staff input is valued and addressed when brought to the administration's attention.

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

33. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

Notices were sent to parents, posted online and on the school facebook pages any time changes were made to our in-person plan. We take public input at our board meetings on a monthly basis. In addition, we encourage input during other school events where the public has one-on-one access with school personnel
