

Safe Return to In-Person Instruction and Continuity of Services Plan (ARP Act)

LEA Information

1. LEA Name (one LEA per form)*

Camp Verde Unified School District

2. Entity ID Number*

4470

3. CTDS Number*

130228000

4. Plan's Primary Contact Name*

Debbie Witt

5. Plan's Primary Contact Email Address*

dwitt@campverdeschools.org

6. Plan's Primary Contact Phone Number*

9285678075

Please submit your Safe Return to In-Person Learning Plan every six months from your prior submission date.

Revision Timeline: May 2023-September 2023

7. Since your last submission date, when did your LEA last review and/or revise your plan? Please provide the updated mm/dd/yyyy of your review/revision. This date should be updated from your last submission. *

08/08/2023

All LEAs receiving ESSER III funds must make publicly available on their website, a plan for the Safe Return to In-Person Instruction and Continuity of Services. Please list the link where the plan/template is posted on the LEA's website.

8. Insert the link below with directions on how to find your LEA's Safe Return to In-Person plan located on your LEA website (do not link directly to the PDF). The plan must be on the ADE template that will be downloaded from EMAC after completing your responses.*

How the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policies, on each of the following safety recommendations established by the Centers for Disease Control and Prevention (CDC)

9. Has the LEA adopted a Governing Board policy on universal and correct wearing of masks?*

Yes

10. Please describe the LEA's Governing Board policy on universal and correct wearing of masks.*

Masks are optional for both students and staff.

11. Has the LEA adopted a Governing Board policy on modifying facilities to allow for physical distancing (e.g., use of cohorts/podding)?*

No

12. Has the LEA adopted a Governing Board policy on handwashing and respiratory etiquette?*

Yes

13. Please describe the LEA's Governing Board policy on handwashing and respiratory etiquette.*

Hand washing routines will be taught and encouraged throughout the day: upon entering the building, before and after lunch, between classes.
Hand sanitizer dispensers will be placed in each room.

14. Has the LEA adopted a Governing Board policy on cleaning and maintaining healthy facilities, including improving ventilation?*

Yes

15. Please describe the LEA's Governing Board policy on cleaning and maintaining healthy facilities, including improving ventilation.*

Increased restroom cleanings will take place throughout the day. Buses will be cleaned (disinfected) between routes and at the end of the day, especially surfaces sat on or touched. (seats and seat backs)
• Signage in highly visible locations regarding practicing health safety.

16. Has the LEA adopted a Governing Board policy on contact tracing in combination with isolation and quarantine, in collaboration with the State, local, territorial, or Tribal health departments?*

No

17. Has the LEA adopted a Governing Board policy on diagnostic and screening testing?*

No

18. Has the LEA adopted a Governing Board policy on efforts to provide vaccinations to school communities?*

No

19. Has the LEA adopted a Governing Board policy on appropriate accommodations for children with disabilities with respect to health and safety policies?*

Yes

20. Please describe the LEA's Governing Board policy on appropriate accommodations for children with disabilities with respect to health and safety policies.*

Health and safety protocols will be followed for all students and staff with accommodations stressed for children with disabilities.

21. Has the LEA adopted a Governing Board policy on coordination with State and local health officials?*

Yes

22. Please describe the LEA's Governing Board policy on coordination with State and local health officials.*

CVUSD will coordinate with State and local health officials to the extent possible under the guidance of the Arizona Department of Health Services

Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

23. How will the LEA ensure Continuity of Services?*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

The Camp Verde Unified School District, in an effort to prepare for and respond to community spread of COVID-19, will continue to adhere to guidance of the CDC and the Arizona Department of Health Services. We believe the best path for learning is in-person instruction yet understand unique situations may arise requiring other modes. We are aware opinions differ surrounding aspects of this theme and are committed to respect varying viewpoints while doing our best to commit ourselves to the task to which we are called, that of providing for our community and staff the very best and safest learning environment.

24. How will the LEA ensure continuity of services for students' academic needs?*

The Camp Verde Unified School District, in an effort to prepare for and respond to community spread of COVID-19, will continue to adhere to guidance of the CDC and the Arizona Department of Health Services. We believe the best path for learning is in-person instruction yet understand unique situations may arise requiring other modes. We are aware opinions differ surrounding aspects of this theme and are committed to respect varying viewpoints while doing our best to commit ourselves to the task to which we are called, that of providing for our community and staff the very best and safest learning environment.

25. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?*

The Camp Verde Unified School District, in an effort to prepare for and respond to community spread of COVID-19, will continue to adhere to guidance of the CDC and the Arizona Department of Health Services. We believe the best path for learning is in-person instruction yet understand unique situations may arise requiring other modes. 26. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

The Camp Verde Unified School District, in an effort to prepare for and respond to community spread of COVID-19, will continue to adhere to guidance of the CDC and the Arizona Department of Health Services. We believe the best path for learning is in-person instruction yet understand unique situations may arise requiring other modes. We are aware opinions differ surrounding aspects of this theme and are committed to respect varying viewpoints while doing our best to commit ourselves to the task to which we are called, that of providing for our community and staff the very best and safest learning environment.

27. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

The Camp Verde Unified School District, in an effort to prepare for and respond to community spread of COVID-19, will continue to adhere to guidance of the CDC and the Arizona Department of Health Services. We believe the best path for learning is in-person instruction yet understand unique situations may arise requiring other modes. We are aware opinions differ surrounding aspects of this theme and are committed to respect varying viewpoints while doing our best to commit ourselves to the task to which we are called, that of providing for our community and staff the very best and safest learning environment.

28. How will the LEA ensure continuity of services for staff's other needs?*

The Camp Verde Unified School District, in an effort to prepare for and respond to community spread of COVID-19, will continue to adhere to guidance of the CDC and the Arizona Department of Health Services. We believe the best path for learning is in-person instruction yet understand unique situations may arise requiring other modes. We are aware opinions differ surrounding aspects of this theme and are committed to respect varying viewpoints while doing our best to commit ourselves to the task to which we are called, that of providing for our community and staff the very best and safest learning environment.

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

29. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

Call to the Public was on the Governing Board Meeting of 8-8-23 but there were no public comments received. The Board discussed the plan during the meeting and minor changes were made that reflect the current state of our district and covid in our area.

After completing all responses in EMAC, save your information. Then, use the red download button to create a copy of your completed form to be uploaded to your LEA website. Once your form is uploaded to your LEA website, log back into EMAC to click the blue submit button and submit your form to be reviewed by your specialist. Your EMAC submission will not be approved unless this updated form is on your LEA website.

30. Did you upload the completed EMAC form to your LEA website?*

Yes
