The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

31. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

Canon met in July of 2023 right before school started and reviewed/updated our plan. Our update was based off a survey that was given at the end of the last school year and following covid this year. The survey went to all parents. Canon took ideas from parents form board meetings and surveys.
