Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

18. How will the LEA ensure Continuity of Services?*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

- Instruction as normal
- Schools will provide site specific expectations for teacher use of Google Classroom.
- Student and parent training resources for Google Classroom will be made available.
- Tutoring, either in person or virtually, will be available.
- No restriction on field trips.

19. How will the LEA ensure continuity of services for students' academic needs?*

The LEA can provide distance learning opportunities, SPED, and EL services via technology.

20. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?*

- No restrictions on after school activities, including athletics following guidance provided by Arizona Interscholastic Association.
- No restriction on assemblies.
- Counselors provided at 3 school sites.
- Behavior coaches provided at 3 school site.
- District psychological services provided at 4 sites.

21. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

- No restrictions on the preparation or service of food in cafeterias and classrooms other than normal health department requirements.
- No restrictions on availability of nursing/health aide services.
- Additional health aide was hired using ESSER funds.

22. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

- Staff social needs will be met through regular in-person (with a virtual option) department meetings, grade level meetings and school staff meetings.
- Mental health services are available to staff through the EAP (Employee Assistance Program).
- Staff will be directed to service providers in the community that are available through District provided health insurance.

23. How will the LEA ensure continuity of services for staff's other needs?*

The LEA is committed to providing for all needs staff may have by working closely with each department.

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

24. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

Public input will be gathered through Site Council meetings, staff meetings, Parent/Teacher Association meetings, Superintendent's Employee Advisory Council, and through public input at regular governing board meetings.
