## Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

### 18. How will the LEA ensure Continuity of Services?\*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

GESD has taken and will continue to take actions to ensure continuity of services, including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs.

### 19. How will the LEA ensure continuity of services for students' academic needs?\*

GESD is providing a robust combination of intervention programs which occur during the school day as well as before and after. These intervention programs are targeting standards that student achievement data indicates a need to address the lack of academic achievement and growth most likely related to the impact and learning loss from the pandemic, which may include all subsets of students.

### 20. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?\*

GESD supports the Social, Emotional and Mental Health Needs by provided counseling to students in need on a case by case basis. This is an enhanced service to the 2022-23 school year. Site School Counselors will focus on supporting the school campus with evidence-based strategies to address social and emotional learning.

### 21. How will the LEA ensure continuity of services for students' other needs?\*

This may include student health and food services.

Partnership with Yuma County Health Department Yuma Health Department Hosting a Vaccine, Booster and Flu shot Clinic on Friday, October, 28, 2022.

### 22. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?\*

Staff has, and will continue to have access to Human Resources, by appointment, as needed to discuss individual Social, Emotional and Mental Health Needs. The school provides paid health insurance for all full time staff which includes access to mental health professionals. Individual plans and accommodations are made on a case by case basis based on the needs of the employee.

**23. How will the LEA ensure continuity of services for staff's other needs?\***

Administrative staff on hand and available to address any needs/concerns.

**The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023**

**24. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.\***

Gadsden Elementary School District sought staff, student, family and public feedback using multiple strategies, including but not limited to: public comments during Governing Board meetings, town halls, surveys, and other appropriate venues. Public input was taken into account to establish the current plan and will be considered for future revisions of this Plan.
