Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

18. How will the LEA ensure Continuity of Services?*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

It is the goal of Cedar Hills staff to ensure the continuity of services by creating physically, emotionally, and socially safe communities, prioritizing environments that support students and respond to the disruption of routines, expectations, and norms associated with "in school" learning experienced by many schools.

19. How will the LEA ensure continuity of services for students' academic needs?*

HESD #3 will address the academic needs of student learners through:

1. Learning Acceleration
2. Pull Out/Tutoring Programs
3. Monitoring of student academic progress

20. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?*

HESD#3 will create a framework for meeting students social and emotional needs by prioritizing:

1. Student check in systems
2. Developing partnerships
3. Hiring counselor
4. Establishing safe, positive, and stable environments
5. ensure access to counselor and/or trusted staff
6. District wide approach to multi-level system of supports

21. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

N/A at this time.

22. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

1. Will expand opportunities for mentorship and support
2. Will develop transparency in the district- who to contact, what supports are available
3. Will continue to provide access to AWP/EAP

23. How will the LEA ensure continuity of services for staff's other needs?*

N/A at this time.

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

24. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

Feedback from stakeholders such as surveys and face to face communication.

25. Did you make any revisions/changes to this plan from your last plan submission?*

Yes
