How the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policies, on each of the following safety recommendations established by the Centers for Disease Control and Prevention (CDC)

9. Has the LEA adopted a Governing Board policy on universal and correct wearing of masks?*

No

10. Has the LEA adopted a Governing Board policy on modifying facilities to allow for physical distancing (e.g., use of cohorts/podding)?*

Yes

11. Please describe the LEA's Governing Board policy on modifying facilities to allow for physical distancing (e.g., use of cohorts/podding).*

Transportation
Students will sit in assigned seats on the school bus.
Student Drop-off & Pick-up
Minimize exposure and lower building capacity in the office
Physical Distancing
Maintain physical distancing as possible and practical.
Minimize or modify mass gatherings
Building Use
Non-essential visitors will be limited.
Signage and messaging will be displayed to encourage healthy habits.
Breakfast
Free breakfast will be served with portable, disposable, packaged foods items.
Lunch
Free lunch will be served in the cafeteria with disposable, packaged food items.
Recess & PE
Recess & PE will be provided.
Recess & PE equipment (balls, jump ropes, etc.) will remain with a specific class to the greatest extent possible.
Small Groups
Small Groups allowed in reading and math rooms. Disinfect between grade levels.
Class Disinfection After Person with Symptoms
Students & staff will be removed from impacted classroom(s) for disinfection. Nurse's office will be disinfected as well

12. Has the LEA adopted a Governing Board policy on handwashing and respiratory etiquette?*

Yes

13. Please describe the LEA's Governing Board policy on handwashing and respiratory etiquette.*

Handwashing
Students will be educated on proper handwashing. Students will be prompted to wash hands regularly. Hand sanitizer stations available across campus

Shared Objects
Handwashing
Students will be educated on proper handwashing. Students will be prompted to wash hands regularly. Hand sanitizer stations available across campus

Shared Objects
Effort will be made to provide adequate supplies to minimize sharing of high touch materials to the greatest extent possible

Water Bottle Fillers
Automated water bottle fillers will be accessible to students while water fountains will be disabled.
Please send your student with a water bottle daily.

Snacks
Parents may donate individually wrapped prepacked snacks to the class. This includes treats for birthday and classroom celebrations.

14. Has the LEA adopted a Governing Board policy on cleaning and maintaining healthy facilities, including improving ventilation?*

Yes

15. Please describe the LEA's Governing Board policy on cleaning and maintaining healthy facilities, including improving ventilation.*

Cleaning and Disinfection
Reduce the risk of exposure to COVID-19 through proper cleaning and disinfection.

Air Quality
Vents to the air conditioning units will be opened to allow outside air to be cooled and circulated in the classrooms.
Air purifiers are available in all classrooms.
Air Cleaners have been purchased for each room
HVAC systems are in process of upgrades and replacement including an ionization system.

Swimming
Outdoor swimming in a chlorinated pool will be allowed. Students must have their own bathing suit, towel, and swim shoes/sandals. None will be provided by the school

Class Disinfection After Person with Symptoms
Students & staff will be removed from impacted classroom(s) for disinfection. Nurse's office will be disinfected as well

16. Has the LEA adopted a Governing Board policy on contact tracing in combination with isolation and quarantine, in collaboration with the State, local, territorial, or Tribal health departments?*

Yes

17. Please describe the LEA's Governing Board policy on contact tracing in combination with isolation and quarantine, in collaboration with the State, local, territorial, or Tribal health departments.*

No

20. Has the LEA adopted a Governing Board policy on appropriate accommodations for children with disabilities with respect to health and safety policies?*

Yes

21. Please describe the LEA's Governing Board policy on appropriate accommodations for children with disabilities with respect to health and safety policies.*

Masks are optional and therefore students with special needs are allowed to wear masks but not required to wear masks. IEP meetings are scheduled over Zoom or in-person at the parents request.

22. Has the LEA adopted a Governing Board policy on coordination with State and local health officials?

*

Yes

23. Please describe the LEA's Governing Board policy on coordination with State and local health officials.*

Monthly meetings with Pinal County Health Department. Advice and coordination of services with Pinal County Health Department.

Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

24. How will the LEA ensure Continuity of Services?*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

Continuity of services are offered in the areas of Academic Needs, Social/Emotional Needs and Other Student Needs. HR offers support and resources for Staff Social Emotional and Other Needs.

25. How will the LEA ensure continuity of services for students' academic needs?*

All students have access to a computer device that can be taken home when a student is absent in order to stay abreast of their academic learning.

26. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?*

Counselor/Social Worker at each school

27. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

Plan for delivery of meals in the event of a pause in in-person learning, school nurse shared between our two campuses. Provide at home COVID tests from Pinal County to parents/students/staff as needed.

28. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

HR offers support and resources to staff

29. How will the LEA ensure continuity of services for staff's other needs?*

HR and administrative support

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

30. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

Parent zoom meeting, survey to parents/community. Frequent email and text message communication with parents.
Review of guidelines from CDC and Pinal County Health Department

After completing all responses in EMAC, save your information. Then, use the red download button to create a copy of your completed form to be uploaded to your LEA website. Once your form is uploaded to your LEA website, log back into EMAC to click the blue submit button and submit your form to be reviewed by your specialist. Your EMAC submission will not be approved unless this updated form is on your LEA website.

31. Did you upload the completed EMAC form to your LEA website?*

Yes
