Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

18. How will the LEA ensure Continuity of Services?*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

Providing work for students that are home feeling ill, academic testing, interventions, provide special education evaluations for students that need additional support.

19. How will the LEA ensure continuity of services for students' academic needs?*

Continuing with intervention programs, tiered support, individual learning plans.

20. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?*

Counselors meet with students for one on ones or small groups to address social and emotional needs. HS counselors have been trained in Suicide prevention. We teach character education and students are awarded monthly for displaying certain character qualities.

21. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

We are part of the NSLP

22. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

They are offered health insurance that offers mental health services

23. How will the LEA ensure continuity of services for staff's other needs?*

Provide staff pick me ups with snacks and lunches periodically.

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

24. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

We sought public input on COVID 19 mitigation strategies, protocols and policies during open meetings. The most recent review involved our leadership team on 8/17/2023. This plan is available to the public on the LEA website. Parent and community input is taken into consideration as plans are updated.
