Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

18. How will the LEA ensure Continuity of Services?*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

PUSD will work to provide needed services as they present themselves to students and staff on an ongoing basis throughout the school year. PUSD will use the expertise of our Social Worker to connect individuals with outside agencies as needed.

19. How will the LEA ensure continuity of services for students' academic needs?*

PUSD will ensure continuity of services for students' academic needs on an as-needed basis with a review of needs daily.

20. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?*

PUSD will ensure continuity of services for students' social, emotional, and mental health needs by ensuring support for them from faculty and staff as needed and within the classroom setting. (Elementary schools have SEL classes)

21. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

PUSD will ensure continuity of services for staff's social, emotional, and mental health needs by support requests for days off and building relationships to support a caring and valued environment. PUSD will also support the use of teledoc for staff health needs through our benefits program.

22. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

Individual assessments and check-in by supervisor.

23. How will the LEA ensure continuity of services for staff's other needs?*

PUSD will ensure continuity of services for staff's other needs by checking in with staff weekly and daily as needed.

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

24. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

Governing Board Meeting with public comment and voice-over presentation sent to families regarding ESSER III allocations.
