Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

25. How will the LEA ensure Continuity of Services?*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

Our school's serve the at-risk community, thus it is imperative that we keep our school open for in person learning. Unitizing all the measures identified in our SOPS's and detailed below will allow us to ensure Continuity of Services. These measure include but are limited to We also conduct a Wellness Check in once a week for all staff, provide 100% free meals to all students, an online component for students who do not feel comfortable retuning in person.

26. How will the LEA ensure continuity of services for students' academic needs?*

All our classes are in person. We also have an online component operated as per ADE guidelines for student who do not feel comfortable retuning in person.

27. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?*

We have retained the services of a School Academic Counselor, a Parent Liaison and a Social Emotional Counselor, to meet these needs.

28. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

We provide 100% free meals to all students.

29. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

Through our parent company COPE Behavioral Health we have additional Services. We also conduct a Wellness Check in once a week for all staff.

30. How will the LEA ensure continuity of services for staff's other needs?*

N/A

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

31. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

Ours COVID 19 Standard Operation Procedures was present to the School board and open for Public Comment. These Polices are on Lines and were sent to all stake holder via mail.

After completing all responses in EMAC, save your information. Then, use the red download button to create a copy of your completed form to be uploaded to your LEA website. Once your form is uploaded to your LEA website, log back into EMAC to click the blue submit button and submit your form to be reviewed by your specialist. Your EMAC submission will not be approved unless this updated form is on your LEA website.

32. Did you upload the completed EMAC form to your LEA website?*

Yes
