*

Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

18. How will the LEA ensure Continuity of Services?*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

- The Pine Strawberry School District Facilities is open
- Educational Materials and Chromebook are made available and/or delivered for student work if positive with COVID.
- Teachers will be available by email and phone for questions and support.
- Students must check-in with each of their teachers each day through google classroom and/or by phone.
- Teachers will follow up with students who do not connect daily.

19. How will the LEA ensure continuity of services for students' academic needs?*

To meet the needs of the Pine Strawberry Students:
All School instructional and support staff are available in person for instruction, as well as available for online services. Student are provided assigned Chromebooks, as well as, hard packets for online learning instruction. Teacher have been assigned laptop to answer questions from students. Students have three methods to contact teachers; phone, email or google classroom.

20. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?*

The School District Established counseling services, as well as, building "Capturing Kids Hearts" to support mental and social health for our students and staff. This program equips the districts staff with the skills to foster positive interactions with student and families.

21. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

To meet the needs of the Pine Strawberry Students:
Food Service, Meal is provided to all students that are unable to attend in person due to COVID. Families are able to receive breakfast and lunch in a "no contact" pickup at the school grounds.

22. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

Social Emotional - "Capturing Kids Hearts" to support mental and social health for our students and staff. Staff have also received two weeks paid leave when contracting COVID, as well as work from home when a staff member is exposed to a positive COVID case. Staff will be provided a COVID Retention stipend to help during these difficult times.

23. How will the LEA ensure continuity of services for staff's other needs?*

The PSESD held a community form to share information and gather public/parent input regarding COVID related protocols and policies. This happened on August 2020. The School District also established a committee that includes staff, parents and community members to help guild local preferences, policies and procedures. In December School District conducted a staff, student, and family and community survey to gather input for the planning of the 2023-2024 year.

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

24. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

The PSESD held a community form to share information and gather public/parent input regarding COVID-related protocols and policies. The School District also established a Committee that includes staff, parents, and community members to help guide local preferences, policies, and procedures. In December 2021 School District conducted a student, family, and community survey to gather input for the planning of the year. School Website is maintained with current COVID-related news for the community.

After completing all responses in EMAC, save your information. Then, use the red download button to create a copy of your completed form to be uploaded to your LEA website. Once your form is uploaded to your LEA website, log back into EMAC to click the blue submit button and submit your form to be reviewed by your specialist. Your EMAC submission will not be approved unless this updated form is on your LEA website.

25. Did you upload the completed EMAC form to your LEA website?*

Yes
