Any questions or concerns related to COVID-19 are relayed directly to the local health department for guidance.

Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

24. How will the LEA ensure Continuity of Services?*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

The district offers both in-person and distance learning. Currently, 100% of Skull Valley School's students attend in person. Distance learning will be offered on a case-by-case basis. Every effort will be made to offer the same curriculum and level of instruction for distance learning students addressing any specific issues as they arise.

25. How will the LEA ensure continuity of services for students' academic needs?*

Students' academic needs will be met by offering both in-person and distance learning.

26. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?*

Counseling days have been added, and counseling is available in-person or by phone or virtual meetings

27. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

Kitchen is open to serve both our in-person students and distance learning students as needed.

28. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

The school counselor is available for support.

29. How will the LEA ensure continuity of services for staff's other needs?*

In rural and remote areas, individual needs vary greatly. Other needs are addressed as appropriate when they arise

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

30. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

A public meeting was held on 09/06/2023 to seek parent/public input on school procedures. No public was in attendance and no changes were made to the existing plan. 100% of Skull Valley ESD's students are currently being served in-person.

After completing all responses in EMAC, save your information. Then, use the red download button to create a copy of your completed form to be uploaded to your LEA website. Once your form is uploaded to your LEA website, log back into EMAC to click the blue submit button and submit your form to be reviewed by your specialist. Your EMAC submission will not be approved unless this updated form is on your LEA website.

31. Did you upload the completed EMAC form to your LEA website?*

Yes
