Yes

*

26. Please describe the LEA's Governing Board policy on coordination with State and local health officials.*

District works with health department

Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

27. How will the LEA ensure Continuity of Services?*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

LAE has procedures to ensure continuity of services. By striving to continuously operate its schools for in-person learning, and having mitigation strategies in place in the event of a COVID-19 outbreak, the District is able to address the students' and staffs' needs.

28. How will the LEA ensure continuity of services for students' academic needs?*

District offers in-person and some distance learning options as needed along with tutoring and summer school

29. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?*

District offers a counselor as needed to students

30. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

District participates in the Summer Food program

31. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

District works to ensure staff needs are being met through various avenues

32. How will the LEA ensure continuity of services for staff's other needs?*

This may include student health and food services.

District has open door policy with administration to discuss issues arising in the district

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

33. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

There is a community committee that may be used to seek public input. This committee involves parents, community members, employees, and administration

34. Did you make any revisions/changes to this plan from your last plan submission?*

Yes
