Yes

*

26. Please describe the LEA's Governing Board policy on coordination with State and local health officials.*

In accordance with county, state, and all local departments.

Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

27. How will the LEA ensure Continuity of Services?*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

Telesis employs a full time Instructional Analysis Director who also serves as Testing Coordinator and Dean of Students. It is her responsibility to track student and staff member progress in all ways mentioned above: academic, social, emotional, mental health, etc. and along with our school counselor, meet with student and staff members regularly to address these needs. We also have a committee that meets weekly to discuss, share, and plan for the progress on each student or staff member showing signs of difficulty in these areas.

28. How will the LEA ensure continuity of services for students' academic needs?*

Students in grades 2-12 provided with Chromebooks.

29. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?*

Full time School Counselor is available.

30. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

Trained first-aid personnel on staff, free and reduced meals for qualifying families.

31. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

Staff emergencies and illness needs are accommodated.

32. How will the LEA ensure continuity of services for staff's other needs?*

Staff input is welcomed and considered.

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

33. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

Parent and Staff surveys.

After completing all responses in EMAC, save your information. Then, use the red download button to create a copy of your completed form to be uploaded to your LEA website. Once your form is uploaded to your LEA website, log back into EMAC to click the blue submit button and submit your form to be reviewed by your specialist. Your EMAC submission will not be approved unless this updated form is on your LEA website.

34. Did you upload the completed EMAC form to your LEA website?*

Yes
