Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

27. How will the LEA ensure Continuity of Services?*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

We are open for in-person instruction for all students.

28. How will the LEA ensure continuity of services for students' academic needs?*

MAA is dedicated to providing a superior academic environment. Students will be thoroughly assessed at the beginning of the school year and at regular intervals to ensure they are the making academic milestones necessary for lifelong success.

29. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?*

If a family has experienced a hardship or feels that child needs extra support, they may contact their teacher or our Family Liaison. Our staff has been trained to assist with student needs, and to help support our families in any way possible. Our classrooms are implementing the Caring School Community curriculum to support our student's social and behavioral needs.

Our counselor assesses and prioritizes student's needs. Service delivery may include individual support, small group facilitation, and/or family outreach and referral based on the need for resources to support safety and learning (food, supplies, shelter, behavioral health care)

30. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

The Family Liaison will reach out to families to see what resources they might need. The school has partnered with Brainfood to provide weekend meals to families that have self identified.

31. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

Staff support will include training on identifying signs of stress while teaching. Staff support will also include outside work events were staff are encouraged to give back to the community- Feed My Starving Children events and team building activities staff can choose to participate in.

32. How will the LEA ensure continuity of services for staff's other needs?*

n/a

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

33. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

Parents were spoken to in an informal setting at Parent Meetings that occurred in the last semester of the school year.
