## Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

### 27. How will the LEA ensure Continuity of Services?\*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

District currently has procedures in place to ensure continuity of services. District has 1:1 Chromebooks that are available for students to take home. District staff has been trained and has capability to provide online instruction and/or packets as necessary in the event of a school closure.

### 28. How will the LEA ensure continuity of services for students' academic needs?\*

District offers in-person and some distance learning options as needed along with tutoring and summer school.

### 29. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?\*

District offers a counselor as needed to students.

### 30. How will the LEA ensure continuity of services for students' other needs?\*

This may include student health and food services.

District participates in the Summer Food Program.

### 31. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?\*

District works to ensure staff needs are being met through various avenues.

### 32. How will the LEA ensure continuity of services for staff's other needs?\*

District has open door policy with administration to discuss issues arising in the district.

**The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023**

**33. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.\***

Districts visit with local stakeholders to determine the best course of action for our school district while following guidelines and mandates as given.

**34. Did you make any revisions/changes to this plan from your last plan submission?\***

☐ No
