## Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

### 18. How will the LEA ensure Continuity of Services?\*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

WES will ensure continuity of services through in person learning whenever possible. If a classroom must be closed, we do have the capability to provide instruction through Zoom or Google Meets and Google Classroom. If students are required to quarantine, we will give them the option of online learning or work packets for the duration of the quarantine. The student would have access to and communication with their teacher for assistance.

### 19. How will the LEA ensure continuity of services for students' academic needs?\*

Increase learning opportunities will be provided for all students by adding a tutoring/intervention/enrichment session for all students during the school day.  
Student data will be tracked to provide differentiated learning designed to remediate and accelerate students during the school day.  
Additional Teachers and Instructional Aides have been hired to ensure differentiated instruction and small group instruction takes place for all students.  
Summer school through Gov.' Grant funding  
Ongoing professional development

### 20. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?\*

WES has secured funding to hire a counselor to help meet the social, emotional, and mental health needs of all students. WES is working to implement an evidence based prevention and life skills training program. The program will include personal self-management skills that will help students help develop the skills to enhance self-esteem, develop problem-solving abilities, reduce stress and anxiety, and manage anger for better mental health. The program will also include lessons to help students to develop general social skills and drug resistance skills.

### 21. How will the LEA ensure continuity of services for students' other needs?\*

This may include student health and food services.

Food service will continue to offer meals free of charge for all students. Clothes Closet and Supply Closet are open to those in need. We held a vaccine clinic for the students, staff, and community members.

**22. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?\***

The Administrative Team continues to support their staff in any Possible way. They provide check-ins, assistance when needed, and continue to help the staff to keep things manageable. as possible.

Employee Assistance Program (EAP) is a confidential employer offered a program that helps employees and their families balance. the demands of work, life, and personal issues.

**23. How will the LEA ensure continuity of services for staff's other needs?\***

The Administrative Team continues to support their staff in any way possible. They provide check-ins, assistance when needed, and continue to help the staff to keep things as manageable as possible.

**The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023**

**24. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.\***

Public input was sought through our messaging system, our social media, discussion at parent meetings, parent teacher conferences (in person and zoom), discussion at monthly school board meetings, and communication with public health agencies. Public comments were considered in the making of the plan.
