Yes

21. Please describe the LEA's Governing Board policy on appropriate accommodations for children with disabilities with respect to health and safety policies.*

Remote learning options will be available. All modifications and accommodations will be made to each student based on their IEP. Services for these students will continue as stated in their IEP's.

22. Has the LEA adopted a Governing Board policy on coordination with State and local health officials?*

Yes

23. Please describe the LEA's Governing Board policy on coordination with State and local health officials.*

We will work with and follow the direction of AZDHS and CCHD

Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

24. How will the LEA ensure Continuity of Services?*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

The district will ensure services through a providing staff and student supports and services to ensure a focus on learning.

25. How will the LEA ensure continuity of services for students' academic needs?*

Additional teachers and supports will be provided to support student learning

26. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?*

We will continue increased counselors staffing for increased support for students.

27. How will the LEA ensure continuity of services for students' other needs?*

This may include student health and food services.

None

28. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?*

District office will continue to communicate support options regularly

29. How will the LEA ensure continuity of services for staff's other needs?*

None

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

30. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.*

Information was presented during 4 board meetings. We received feedback from community members via email and the call to the audience. We also received feedback from Cochise County Health Department.

After completing all responses in EMAC, save your information. Then, use the red download button to create a copy of your completed form to be uploaded to your LEA website. Once your form is uploaded to your LEA website, log back into EMAC to click the blue submit button and submit your form to be reviewed by your specialist. Your EMAC submission will not be approved unless this updated form is on your LEA website.

31. Did you upload the completed EMAC form to your LEA website?*

Yes
