(e) A summary of any parent input or feedback collected pursuant to R7-2-1503(6) and how the Department is responding to concerns submitted as part of the process.

Concern/Feedback	How the Department responded
No access to debit card causes financial hardship.	As of February 8, 2023, the Department has placed a hold on the issuance of pre-paid debit cards, until further notice.
Help Desk tickets are taking too long to answer.	HelpDesk tickets are assigned daily and are answered as quickly as possible. They will be answered by the team that can best answer the question/s in the HelpDesk ticket.
Would like to have a database of allowable items.	The allowable list the Department posted online is a broad list of items that are allowable.
Attestation form is redundant.	The attestation form provides an option to satisfy the statutory credential requirement for tutors who cannot provide other evidence of credentials. It is intended to ensure that families have broad access to tutors.
ESA is more complicated now.	Please visit the ESA website to find the Parent Handbook and helpful FAQs to assist in understanding and accessing the Program.
The ESA Program made too many changes in recent months.	Changes were a response to Universal expansion and a result of a new ESA director in Quarter 3 of fiscal year 2023.
ESA Call Center Hold times are too long.	The ESA Program has extended its hours from 8am - 8pm Monday through Friday, and 8am - 12pm on Saturdays to meet ever growing call and HelpDesk ticket volume.
Inconsistent approvals/answers from ESA staff.	The team strives to be consistent in approvals. If there are any inconsistencies in your orders, please contact the Department at ESACallCenter@azed.gov with the details.
It takes too long to approve orders.	The ESA Program is tracking and monitoring the time to approve orders and is striving to review orders as quickly as possible. The ESA program has begun working with ClassWallet in Quarter 1 of fiscal year 2024 to begin developing automation processes for improving the time in which purchases are approved
For reimbursement, an approved vendor database is needed in the ClassWallet	The Account Holder may use the Direct Pay option in order not to be required to upload accreditation. If a particular vendor is not in the ClassWallet portal the

platform, so parents don't need to upload accreditation every time.	Account Holder may request that the vendor becomes approved with ClassWallet.
ESA application categories are not accurate on the ESA application.	The Department has resolved this issue and has updated the ESA application to include all ESA categories reflected in state law.
Contract was received, then cancelled. Contracts did not go out on time.	When renewal contracts were sent out, the ESA team identified an issue with the accuracy of funding amounts. The team resolved the issue and renewal contracts were sent out to account holders as soon as the problem was corrected.
Vendors are not receiving funds in a timely manner.	The ESA Program is tracking and monitoring the time to approve invoices and pay vendors and is striving to pay vendors as quickly as possible. The ESA program will begin working with ClassWallet in Quarter 1 of fiscal year 2024 to begin developing automation processes for improving the time in which vendors are paid.
ESA must stop requiring therapist/doctor's notes for educational items for students with a disability.	Please see pages 27 and 28 of the ESA Parent Handbook.
All information needs to be in handbook vs in emails.	The Department will work on adding additional information to the ESA Handbook as the handbook is updated.
ClassWallet deletes the documents and information for reimbursements that were rejected.	Account Holders must contact ClassWallet to report this issue with their account.
Reimbursement is not an option and reimbursement orders need to be approved quicker.	The ESA Program is tracking and monitoring time to approve reimbursement and is striving to review them as quickly as possible.
Not everything is available through Classwallet's Marketplace and Direct Pay option.	If an item/service/school/etc. is not available in the ClassWallet platform, account holders have the option to be reimbursed for approved purchases.
Categories are hard to understand when categorizing expenses.	The Department has modified the categories in the ClassWallet portal to reflect what Arizona law states.
Vendors are pulling/have pulled their businesses off the CW Platform.	The Department does not force vendors to contract with our third-party vendor (currently ClassWallet).
Quarterly amounts have decreased.	The funding amounts are appropriated by the state Legislature. There are several factors that determines the funding amount that an ESA student receives such as the school district the student lives in, the grade level, disability category (if applicable), etc.

Vocational/Life Skills should be for all students, not only for Students with disabilities.	All students can use ESA funds for vocational or life skills. This can be categorized as Tutoring Services.
Please don't restrict MCC codes.	Current MCC Code restrictions will remain in place
Having issues returning items.	Account holder will need to contact ClassWallet regarding these matters
There are issues with accessing warranties.	Account holder will need to contact ClassWallet regarding these matters
Elementary school (non-kinder) student is receiving kindergarten funding.	Account holder will need to contact the ESA Program at 602-364-1969 or ESACallCenter@azed.gov regarding these matters

Lengthy Approval Periods for [ClassWallet] Approved Vendors: Users mentioned that orders placed with pre-approved vendors should be processed immediately, but instead, they experienced a grace period of 45 days or more before the order was approved.	It is the responsibility of the Arizona Department of Education to process orders. The ESA Program is tracking and monitoring the time to approve reimbursement and is striving to review them as quickly as possible.
Lack of Clarity in Rejections: Customers expressed confusion regarding the reasons for rejections, mentioning vague answers and a lack of clear explanations. This made it challenging for users to understand why their submissions were rejected and what was required to rectify the situation.	It is the responsibility of the Arizona Department of Education to add verbiage to each rejected transaction. Verbiage is reviewed by the ESA Program team periodically. Account holders may contact the ESA Service Center with questions pertaining to their rejected orders.

- ii. **The average number of days to resolution:**
On average, HelpDesk tickets were resolved in 8.5 days.
- iii. **A summary of resolutions:**
The first quarter in which this requirement was applicable was Quarter 3 FY2023. In the Quarter 3 FY2023 report, we did not present data to satisfy requirement. Further, it does not appear that efforts have yet been made to clarify with the State Board of Education what data was intended to be captured here. Additionally, it does not appear that any efforts have yet been made to work internally to determine what type of data our HelpDesk ticket system can produce to satisfy this requirement. The ESA leadership team will explore this in preparation for the next Quarterly report.

i. A.R.S. §15-2403(A): The treasurer may contract with private financial management firms to manage Arizona empowerment scholarship accounts

The State Treasurer’s office initiated a Request for Proposal. Here are the key dates from the Arizona Treasurer’s website.

ii.

A.R.S. §15-2403(B): The Department shall conduct or contract for annual audits of Arizona empowerment scholarship accounts to ensure compliance with section § 15-2402, subsection B, paragraph 4.

The ESA programs current practice is that every item purchased with ESA funds is reviewed by an ESA or ClassWallet employee. All purchases that are rejected by a Purchase Review Specialist because they are determined to be unallowable are then reviewed by a second ESA employee, which often includes a supervisor, to evaluate whether the purchase is in fact unallowable.

For purchases that are approved by a Purchase Review Specialist as allowable, they are subject to random reviews by a Purchase Review Lead Specialist, who audits whether the purchase was correctly approved.

As a result of all purchases being reviewed by 1 or more ESA employees, every purchase is audited for appropriateness.

- iii. **A.R.S. §15-2403(B): The Department shall also conduct or contract for random, quarterly and annual audits of Arizona empowerment scholarship accounts as needed to ensure compliance with section § 15- 2402, subsection B, paragraph 4.**

See response to 5 (n) (ii).

- iv. **A.R.S. §15-2403(J): The Department shall contract with an independent third party for the purposes of determining whether a qualified student is eligible to receive educational therapies or services pursuant to section 15-2402, subsection B, paragraph 4, subdivision (c).**

In fiscal year 2023, Quarter 4, the Department of Education posted a Request for Proposal (RFP) on May 19, 2023 to solicit proposals from bidders to conduct independent third party evaluations of qualified students to determine eligibility to receive educational therapies or services pursuant to A.R.S. 15-2403(J)(B)(4)(c). However, the Department cancelled the RFP on August 15, 2023 in the best interest of the State, because it was determined by statute that the contract must be competitively awarded to a single contractor. The RFP posted on May 19, 2023 allowed for multiple contractors to be awarded contracts, which necessitated its cancellation.

The Department of Education is currently in the process of developing an RFP to address this statutory requirement. We expect to have the RFP completed and posted by the end of the current quarter.

- v. **R7-2-1503(2): Subject to review and approval by the Board, the Department may contract with a third party to operate the call center.**

This portion of the Quarterly report is not applicable because the department of Education currently has a dedicated ESA call center.

- vi. **Any other eligible Department contracts.**
