How the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services

### How the LEA will Ensure Continuity of Services?

We are back to in person learning full time. We have hired a full time SEL Counselor for student, staff and family needs. We are serving breakfast and lunch at no charge to all students.

#### Students' Needs:

Academic Needs	Full time in person learning. Before and after school tutoring as needed. Summer Academy for students at highest risk.
Social, Emotional and Mental Health Needs	Full time SEL staff. SEL lesson every day in all classes.
Other Needs (which may include student health and food services)	

#### Staff Needs:

Social, Emotional and Mental Health Needs	Full time SEL Staff. More staff events.
Other Needs	

The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023

<b>Date of Revision</b> 11-8-21	
<b>Public Input</b>	
Describe the process used to seek public input, and how that input was taken into account in the revision of the plan:	

## U.S. Department of Education Interim Final Rule (IFR)

### **(1) LEA Plan for Safe Return to In-Person Instruction and Continuity of Services**

- (a) An LEA must describe in its plan under section 2001(i)(1) of the ARP Act for the safe return to in-person instruction and continuity of services—
  - (i) how it will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policies, on each of the following safety recommendations established by the CDC:
    - (A) Universal and correct wearing of masks.
    - (B) Modifying facilities to allow for physical distancing (e.g., use of cohorts/podding)
    - (C) Handwashing and respiratory etiquette.
    - (D) Cleaning and maintaining healthy facilities, including improving ventilation.
    - (E) Contact tracing in combination with isolation and quarantine, in collaboration with the State, local, territorial, or Tribal health departments.
    - (F) Diagnostic and screening testing.
    - (G) Efforts to provide vaccinations to school communities.
