## System Messages

System messages advise the submitter of important information about a transaction SAIS processed or attempted to process.

"Common" refers to messages that are common to more than one transaction.

"Msg #" is the reference number used in the verification and validation edits throughout this document.

"Msg #" is broken down into range assignments and the ranges which apply to the transactions are as follows:

- 9XXX represents Common system error messages.
- 11XXX represents Student Enrollment system error messages.
- 12XXX represents Student Attendance system error messages.
- 13XXX represents Student Readmission system error messages.
- 14XXX represents Student Personal Information system error messages
- 15XXX represents Student Withdrawal system error messages.
- 17XXX represents Student Grade Transfer system error messages.
- 18XXX represents Student Absence system error messages.
- 19XXX represents Student Need system error messages.
